

5 Tips to

Achieve Financial Success

FOLLOW THIS PLAN TO DO MONEY RIGHT THIS YEAR

This Year

1 Know Where You Stand Financially

- Be honest with yourself
- Track your expenses for a minimum of four weeks

2 Figure Out What You Really Want

- Figure out what your priorities are
- Look at your non essential expenses and reduce or eliminate

3 Set Your Savings on Autopilot

- Put savings at the top of your priority list
- Try to save at least 10% of your income via direct deposit

4 Use Cash to Guide Your Spending Habits

- Set up your essentials bills to be paid through automatic bill pay
- Withdraw a specific amount of cash for spending money at the beginning of the month

5 Learn to Live Within Your Means

- Remember your priorities are all about you and what makes you happy and fulfilled
- Don't feel like you have to live up to someone else's definition of financial success
